## Handy hints for making your claim

These handy hints will support you to have a smoother claims process and better enable you to provide us with all the information we need to be able to action your claim request.

#### Claiming my insurance form

You will need to complete this form with any Income Protection, Total and Permanent Disability or Terminal Illness claim.

#### Don't forget:

- Providing your Proof of Identity (POI) is not required to make a claim, it is required for the payment of a TPD or TI claim (once approved), so while you are at your doctor next ask them to certify your drivers license or passport so you can submit this with your claim.
- You also need to supply us with a copy of your most recent bank statement, confirming the same BSB, account number and full name.
- Include your manager's full name, job title, phone number and email address in Section 5 of this form.
- You must sign the claim form.

<sup>\*</sup> This form is optional to provide at the time you lodge your initial claim form. However if you do provide it with your claim form, it may support your claim assessment outcome. Please note, we may ask you to provide us with this form during the claim process as required.

<sup>\*\*</sup> We only need the front page of your bank statement. Please ensure this includes your bank's name, your full name, address, account number, BSB number, and the statement issue date.

This report is for your medical practitioner (usually a GP) to provide us with information about your diagnosis, treatment and your capacity for work.

#### Don't forget:

- This form is usually completed by your GP. Take it to your next GP visit and ask them to fill it in on your behalf, this is also a good time to get your drivers license or passport certified if you are claiming TPD or TI.
- If you wish to submit a report from your Psychologist or Physiotherapist, ask them to provide you with a separate report that you can provide with your claim form. (Don't use this one for that purpose).
- Submit this medical practitioner report completed by your GP, at the same time you lodge your claim form.

## Medical specialist report

The medical specialist report is required when making a claim for TPD or TI but is optional to provide when you lodge an Income Protection claim form (but may increase your initial claim payment period). It is for your medical specialist to provide us with information about your diagnosis, treatment and capacity for work.

## Don't forget:

- This form is to be completed by medical specialists only (not GPs). You must provide it when you submit a TPD or Terminal Illness claim. We may request it as part of an Income Protection claim.
- For Income Protection claims, a medical specialist report is not mandatory to provide when you lodge your claim form, but is highly recommended to provide if you have seen a specialist for your condition, as it may support your claim. This may result in an increase to the initial approved payment period.
- A medical specialist must be registered with AHPRA in the relevant field.

## Copies of any relevant medical reports

## Don't forget:

If you provide further information about your injury or condition, this may further support your claim assessment. If you have the following information relevant to your claim, please provide them when you lodge your claim form – list of current medications, specialist reports, test results (eg biopsy/blood), health care plans, Orthopaedic/Radiological reports (eg X-rays/MRI), hospital or separation reports, workers compensation / return to work reports.

## Education training and experience questionnaire

If you are making a TPD claim, you will also need to complete the education training and experience questionnaire form. This is for you to provide us with information about your occupation, education, any rehabilitation programs you have undertaken, and your skills, interests and hobbies.

## Don't forget:

- Include all the details of your previous experience, employers and duties in Section 2.
- Complete Section 6 about your interests and hobbies.
- Sign the member declaration at the end of the form.

## Tax File Number Declaration (only required for Income Protection Claims)

#### Don't forget:

Complete and submit a completed Tax File Number declaration form if you are lodging an Income Protection claim. If you do not provide us with this completed form we will be required to withhold tax at the top marginal tax rate when your payment is made.

INFORMATION SHEET

# Making an Income Protection claim Your questions answered

If you have Triple S IP Insurance and are unable to work due to a disability, you may be entitled to an IP benefit.

## What is Income Protection (IP)?

Triple S IP Insurance provides a fortnightly benefit of up to 75% of your notional salary, plus an additional Contribution Replacement Benefit (CRB) paid into your Triple S account equal to 9.5% of your fortnightly benefit, while you are incapacitated for work on account of an illness or injury. The benefit is payable for a maximum period of 24 months or to age 65, whichever occurs first. If you are a casual employee that applied to take out and was granted IP Insurance, benefits are payable up to a maximum period of 12 months.

#### Eligibility criteria

You are entitled to an IP benefit if:

- (a) you are incapacitated for work on account of a disability;
- (b) you are absent from work in respect of your SA Government employment on account of the incapacity; and
- (c) you are receiving treatment from a medical practitioner in respect of the incapacity and following their advice.

#### **Incapacitated for work definition**

You are incapacitated for work if the Super SA Board is satisfied that:

- (a) you are suffering from ill health (whether physical or mental) and unable (because of that ill health) to undertake the duties of the position usually occupied or unable to undertake these duties at the same capacity as existing prior to onset of ill health; and
- (b) you are unable to undertake the duties of another available role made available to you, carrying a salary of at least 80% of the salary applicable to your usual role and you could be reasonably expected to take the other position.

#### What is the waiting period?

The waiting period is the time you need to be continuously absent from and unable to work due to your incapacity before an IP benefit is payable. Your waiting period will be 30 days unless you have elected a 90 day waiting period. During the waiting period you could apply for paid leave from your employer or leave without pay. IP payments cannot be made during the waiting period.

You can work two days within the 30 day waiting period or five days (but no more than two consecutive days) within the 90 day waiting period without the waiting period being reset.

#### When can I claim an IP benefit?

To be eligible to claim IP benefits you:

- Must be covered for income protection
- · Must be under age 65
- Must be incapacitated for work for more than the duration of your waiting period, either 30 or 90 continuous days following the day you stop working due to your incapacity
- Cannot be receiving, or cannot have accepted a redemption of, weekly payments of workers compensation under Part 4 Division 4 of the Return to Work Act 2014 or other temporary income replacement benefits payable under an industrial agreement or award applying to your employment.
- Cannot be receiving any form of paid leave (including annual leave, long service leave, parental leave or sick leave)
- Have not terminated SA Government employment or have had a Terminal Illness benefit approved
- Must claim within 6 months (see section Is there a time limit to lodge a claim in this information sheet for more information).

## Circumstances under which IP will not be paid

- If you were employed on a casual basis (and was granted IP Insurance) working an average of less than nine hours per week.
- If a limitation has been applied to your Income Protection cover and you are claiming in respect of an incapacity wholly or partly caused by that limitation.
- If you have returned to work within the past 2 years after being on Leave Without Pay for 12 months or more and you are claiming for a medical condition that was known to you on the day you returned to work.
- If you are a former Lump Sum or Pension Scheme member (who became a Triple S member without stopping work) you may not be able to claim for a medical condition that existed before your Triple S membership commenced, for a period of two years.

## How do I make a claim?

## Step 1 - Lodging your claim

- Complete the Claiming my insurance form.
- The Medical Practitioner Report is to be completed by your treating medical practitioner.
- The Medical Specialist Report is to be completed by your treating Specialist (if applicable).
- Complete the Tax file number declaration form.
- Return all the completed forms together to Super SA along with all your supporting documentation as a complete application.
- If the information you send is incomplete or there is insufficient evidence to support your claim, you will either be asked to provide more information which will delay your claim, or your claim will be declined.

## ! Important

Please check that you and your doctors have answered every question and all necessary documents are provided.

#### Step 2 – Preparing your claim

- Super SA will acknowledge that your claim has been received and advise you of progress. If you have any questions you can contact your Claims Management Officer.
- Super SA will contact your employer to obtain salary, leave and employment information.
- Additional information may be requested from you or your treating doctors.

#### Step 3 - Assessing your claim

Based on the information available, your claim will be assessed and a decision made by Super SA to either:

- Approve your entitlement to a set date, i.e. the review date (see Steps 4 and 5)
- Defer your claim for further review
- Decline your claim if you are not entitled to a benefit under the legislation (see section **What if my claim is declined?**).

As part of the decision, more information may be requested from you or your treating doctors and/or require you to attend an appointment for you to have a medical examination with one or more independent medical specialists. Where you attend an appointment with a independent medical examiner arranged by Super SA, the medical examiner's costs will be covered by Super SA (for further details regarding conditions that apply please see section Will it cost anything to lodge a claim?).

#### Step 4 - Paying your benefit

- If your claim is approved, your Claims Management Officer will contact both you and your employer.
- Income Protection payments will be paid fortnightly (less PAYG tax) directly into your nominated personal bank account.
- A payment summary will be sent to you at the end of the financial year to lodge with your tax return.
- Any Contribution Replacement Benefit will be paid fortnightly into your Triple S account.

#### Step 5 - Future payments

- Your incapacity for work needs to be regularly assessed to determine if you remain eligible for payments.
- You will be sent the forms that both you and your treating medical practitioners will need to complete if you wish to receive IP benefits past the review date.
- You will need to arrange for all forms to be fully completed and returned to Super SA.

## What if my claim is declined?

If your claim is declined, you will be advised in writing the reason why.

If you do not agree with any decision in relation to your claim you can provide additional information to support your claim. You can also lodge a complaint in writing to Super SA. Super SA aims to resolve all matters through its internal enquiry and dispute resolution process.

Written complaints, together with any information to support your claim not previously considered by Super SA, should be addressed to the Complaints Officer:

#### The Complaints Officer

Super SA GPO Box 48 Adelaide SA 5001

#### Email supercomplaints@sa.gov.au

The Complaints Officer will investigate the matter thoroughly and aim to provide you with a written response within 45 days of receiving the complaint.

If you believe that your complaint has not been resolved satisfactorily through our complaints process or you wish to review a decision made by Super SA, you can have the matter reviewed by the Super SA Board. An application to the Super SA Board to review a decision must be made within three months of receiving notice of the decision.

If your complaint relates to a decision made by the Super SA Board (or a delegate of the Board), you may make an application for the decision to be reviewed by the South Australian Civil and Administrative Tribunal (SACAT) or by the Super SA Board. Applications for review must be made within three months of receiving notice of the decision.

## Frequently asked questions

## Is there a time limit to lodge a claim?

To be eligible for Income Protection you must apply:

- (a) within six months of ceasing to be engaged in employment (the last day you physically went to work); or
- (b) within six months of ceasing to be on paid leave taken immediately following the incapacity; or
- (c) within six months of ceasing to be entitled to weekly payments of workers compensation or other temporary income replacement benefits payable under an industrial agreement or award which applies to you.

## Will it cost anything to lodge a claim?

You will have to pay the cost of providing any medical evidence to support your claim, such as obtaining the medical report referred to in Step 1.

You will also need to pay the cost of obtaining ongoing reports requested by Super SA from your treating doctors to review your claim (see Step 5).

Where you attend an appointment with an independent medical examiner arranged by Super SA, the medical examiner's costs will be covered by Super SA. However, if an appointment is arranged and you do not attend the appointment, you will need to pay the cost of any non-attendance fee incurred.

#### How is my IP benefit calculated?

Your Income Protection payments are 75% of your notional salary. This is the salary you were receiving immediately before your incapacity for work adjusted with CPI every six months. In addition, Super SA will provide a Contribution Replacement Benefit (CRB) paid into your Triple S account equal to 9.5% of your fortnightly benefit while you are in receipt of income protection payments.

If you were working less than full time or as a casual employee at the time of your incapacity, your notional salary will be your SA Government salary averaged over a period of up to three years prior to incapacity.

#### When will IP payments start?

Income Protection payments cannot commence until your claim is approved, which can take several months. Once approved, payments will generally be backdated to the later of the date following the expiry of the waiting period or the last day of paid leave.

If you are receiving income from employment during the time you are receiving IP benefits from Super SA, your IP payments will be reduced.

#### When do IP payments stop?

IP benefits will stop on the earliest of the following:

- You are no longer incapacitated for, and absent from, work on account of a disability
- You fail to provide medical evidence requested by Super SA
- Your employment with the SA Government terminates for any reason (including cessation of a contract or a Terminal Illness benefit is approved)
- For those employed on a casual basis (for nine or more hours per week) that applied to take out, was granted IP Insurance and has been approved an entitlement,
   12 months after the date you last worked
- You resume your normal working hours (see section What happens if I go back to work on a Rehabilitation or Return to Work Agreement? below)
- The maximum benefit payment period of 24 months is reached;
- · You turn age 65
- You are receiving weekly payments of workers compensation or temporary income replacement benefits under an industrial agreement or award
- · You are receiving paid leave entitlements of any kind
- You request payments be suspended (the period of suspension will still count towards the 24 month maximum entitlement period)
- You die

To prevent overpayment of your benefit, it is important that you notify us as soon as possible if any of the above circumstances occur. Any overpayment of benefits will need to be paid back to Super SA.

## What happens if I go back to work on a Rehabilitation or Return to Work Agreement?

If you go back to work your IP payments will cease unless this is under a Rehabilitation or Return to Work Agreement. If approved, your employer will pay for the hours you work and Super SA will pay a top up payment (up to a maximum of your notional salary). You must advise Super SA prior to commencing a Return to Work Program with your employer.

# Tax file number declaration

Information you provide in this declaration will allow your payer to work out how much tax to withhold from payments made to you.

- This is not a TFN application form.
  To apply for a TFN, go to ato.gov.au/tfn
- Terms we use

When we say:

- payer, we mean the business or individual making payments under the pay as you go (PAYG) withholding system
- **payee**, we mean the individual being paid.

## Who should complete this form?

You should complete this form before you start to receive payments from a new payer – for example:

- payments for work and services as an employee, company director or office holder
- payments under return-to-work schemes, labour hire arrangements or other specified payments
- benefit and compensation payments
- superannuation benefits.
- You need to provide all information requested on this form. Providing the wrong information may lead to incorrect amounts of tax being withheld from payments made to you.

- 1 You don't need to complete this form if you:
  - are a beneficiary wanting to provide your tax file number (TFN) to the trustee of a closely held trust. For more information, visit ato.gov.au/trustsandtfnwithholding
  - are receiving superannuation benefits from a super fund and have been taken to have quoted your TFN to the trustee of the super fund
  - want to claim the seniors and pensioners tax offset by reducing the amount withheld from payments made to you. You should complete a withholding declaration form (NAT 3093)
  - want to claim a zone, overseas forces or invalid and invalid carer tax offset by reducing the amount withheld from payments made to you. You should complete a withholding declaration form (NAT 3093).
- For more information about your entitlement, visit ato.gov.au/taxoffsets

## Section A: To be completed by the payee

## Question 1 What is your tax file number (TFN)?

You should give your TFN to your employer only after you start work for them. Never give your TFN in a job application or over the internet.

We and your payer are authorised by the Taxation Administration Act 1953 to request your TFN. It's not an offence not to quote your TFN. However, quoting your TFN reduces the risk of administrative errors and having extra tax withheld. Your payer is required to withhold the top rate of tax from all payments made to you if you do not provide your TFN or claim an exemption from quoting your TFN.

### How do you find your TFN?

You can find your TFN on any of the following:

- your income tax notice of assessment
- correspondence we send you
- a payment summary your payer issues to you.

If you have a tax agent, they may also be able to tell you.

If you still can't find your TFN, you can:

phone us on **13 28 61** between 8.00am and 6.00pm, Monday to Friday.

If you phone or visit us, we need to know we are talking to the correct person before discussing your tax affairs. We will ask you for details only you, or your authorised representative, would know.

#### You don't have a TFN

If you don't have a TFN and want to provide a TFN to your payer, you will need to apply for one.

For more information about applying for a TFN, visit ato.gov.au/tfn

#### You may be able to claim an exemption from quoting your TFN.

Print X in the appropriate box if you:

- have lodged a TFN application form or made an enquiry to obtain your TFN. You now have 28 days to provide your TFN to your payer, who must withhold at the standard rate during this time. After 28 days, if you haven't given your TFN to your payer, they will withhold the top rate of tax from future payments
- are claiming an exemption from quoting a TFN because you are under 18 years of age and do not earn enough to pay tax, or you are an applicant or recipient of certain pensions, benefits or allowances from the:
  - Department of Human Services however, you will need to quote your TFN if you receive a Newstart, Youth or sickness allowance, or an Austudy or parenting payment
  - Department of Veterans' Affairs a service pension under the Veterans' Entitlement Act 1986
  - Military Rehabilitation and Compensation Commission.

#### Providing your TFN to your super fund

Your payer must give your TFN to the super fund they pay your contributions to. If your super fund doesn't have your TFN, you can provide it to them separately. This ensures:

- your super fund can accept all types of contributions to your accounts
- additional tax will not be imposed on contributions as a result of failing to provide your TFN
- vou can trace different super accounts in your name.

For more information about providing your TFN to your super fund, visit ato.gov.au/supereligibility

#### Question 2-6

Complete with your personal information.

## Question 7 On what basis are you paid?

Check with your payer if you're not sure.

## **Question 8**

## Are you an Australian resident for tax purposes or a working holiday maker?

Generally, we consider you to be an Australian resident for tax purposes if you:

- have always lived in Australia or you have come to Australia and now live here permanently
- are an overseas student doing a course that takes more than six months to complete
- migrate to Australia and intend to reside here permanently.

If you go overseas temporarily and don't set up a permanent home in another country, you may continue to be treated as an Australian resident for tax purposes.

If you are in Australia on a working holiday visa (subclass 417) or a work and holiday visa (subclass 462) you must place an X in the working holiday maker box. Special rates of tax apply for working holiday makers.

For more information about working holiday makers, visit ato.gov.au/whm

If you're not an Australian resident for tax purposes or a working holiday maker, place an X in the foreign resident box, unless you are in receipt of an Australian Government pension or allowance.

Temporary residents can claim super when leaving Australia, if all requirements are met. For more information, visit ato.gov.au/departaustralia

#### Foreign resident tax rates are different

A higher rate of tax applies to a foreign resident's taxable income and foreign residents are not entitled to a tax-free threshold nor can they claim tax offsets to reduce withholding, unless you are in receipt of an Australian Government pension or allowance.

To check your Australian residency status for tax purposes or for more information, visit ato.gov.au/residency

2 Tax file number declaration

# Question 9 Do you want to claim the tax-free threshold from this payer?

The tax-free threshold is the amount of income you can earn each financial year that is not taxed. By claiming the threshold, you reduce the amount of tax that is withheld from your pay during the year.

Answer **yes** if you want to claim the tax-free threshold, you are an Australian resident for tax purposes, and one of the following applies:

- you are not currently claiming the tax-free threshold from another paver
- you are currently claiming the tax-free threshold from another payer and your total income from all sources will be less than the tax-free threshold.

Answer **yes** if you are a foreign resident in receipt of an Australian Government pension or allowance.

Answer **no** if none of the above applies or you are a working holiday maker.

- If you receive any taxable government payments or allowances, such as Newstart, Youth Allowance or Austudy payment, you are likely to be already claiming the tax-free threshold from that payment.
- For more information about the current tax-free threshold, which payer you should claim it from, or how to vary your withholding rate, visit ato.gov.au/taxfreethreshold

## Question 10

Do you have a Higher Education Loan Program (HELP), VET Student Loan (VSL), Financial Supplement (FS), Student Start-up Loan (SSL) or Trade Support Loan (TSL) debt?

Answer yes if you have a HELP, VSL, FS, SSL or TSL debt.

Answer **no** if you do not have a HELP, VSL, FS, SSL or TSL debt, or you have repaid your debt in full.

- You have a HELP debt if either:
  - the Australian Government lent you money under HECS-HELP, FEE-HELP, OS-HELP, VET FEE-HELP, VET Student loans prior to 1 July 2019 or SA-HELP.
  - you have a debt from the previous Higher Education Contribution Scheme (HECS).

You have a SSL debt if you have an ABSTUDY SSL debt.

You have a separate VSL debt that is not part of your HELP debt if you incurred it from 1 July 2019.

For information about repaying your HELP, VSL, FS, SSL or TSL debt, visit ato.gov.au/getloaninfo

## Have you repaid your HELP, VSL, FS, SSL or TSL debt?

When you have repaid your HELP, VSL, FS, SSL or TSL debt, you need to complete a *Withholding declaration* (NAT 3093) notifying your payer of the change in your circumstances.

## Sign and date the declaration

Make sure you have answered all the questions in section A, then sign and date the declaration. Give your completed declaration to your payer to complete section B.

## Section B: To be completed by the payer

## Payer information

The following information will help you comply with your pay as you go (PAYG) withholding obligations.

#### Is your employee entitled to work in Australia?

It is a criminal offence to knowingly or recklessly allow someone to work, or to refer someone for work, where that person is from overseas and is either in Australia illegally or is working in breach of their visa conditions.

People or companies convicted of these offences may face fines and/or imprisonment. To avoid penalties, ensure your prospective employee has a valid visa to work in Australia before you employ them. For more information and to check a visa holder's status online, visit the Department of Home Affairs website at homeaffairs.gov.au

# Is your payee working under a working holiday visa (subclass 417) or a work and holiday visa (subclass 462)?

Employers of workers under these two types of visa need to register with the ATO, see ato.gov.au/whmreg

For the tax table "working holiday maker" visit our website at ato.gov.au/taxtables

## Payer obligations

If you withhold amounts from payments, or are likely to withhold amounts, the payee may give you this form with section A completed. A TFN declaration applies to payments made after the declaration is provided to you. The information provided on this form is used to determine the amount of tax to be withheld from payments based on the PAYG withholding tax tables we publish. If the payee gives you another declaration, it overrides any previous declarations.

## Has your payee advised you that they have applied for a TFN, or enquired about their existing TFN?

Where the payee indicates at question 1 on this form that they have applied for an individual TFN, or enquired about their existing TFN, they have 28 days to give you their TFN. You must withhold tax for 28 days at the standard rate according to the PAYG withholding tax tables. After 28 days, if the payee has not given you their TFN, you must then withhold the top rate of tax from future payments, unless we tell you not to.

## If your payee has not given you a completed form you must:

- notify us within 14 days of the start of the withholding obligation by completing as much of the payee section of the form as you can. Print 'PAYER' in the payee declaration and lodge the form – see 'Lodging the form'.
- withhold the top rate of tax from any payment to that payee.

For a full list of tax tables, visit our website at ato.gov.au/taxtables

## Lodging the form

You need to lodge TFN declarations with us within 14 days after the form is either signed by the payee or completed by you (if not provided by the payee). You need to retain a copy of the form for your records. For information about storage and disposal, see below.

You may lodge the information:

- online lodge your TFN declaration reports using software that complies with our specifications. There is no need to complete section B of each form as the payer information is supplied by your software.
- by paper complete section B and send the original to us within 14 days.

For more information about lodging your TFN declaration report online, visit our website at ato.gov.au/lodgetfndeclaration

## Provision of payee's TFN to the payee's super fund

If you make a super contribution for your payee, you need to give your payee's TFN to their super fund on the day of contribution, or if the payee has not yet quoted their TFN, within 14 days of receiving this form from your payee.

## Storing and disposing of TFN declarations

The TFN Rule issued under the *Privacy Act 1988* requires a TFN recipient to use secure methods when storing and disposing of TFN information. You may store a paper copy of the signed form or electronic files of scanned forms. Scanned forms must be clear and not altered in any way.

#### If a payee:

- submits a new *TFN declaration* (NAT 3092), you must retain a copy of the earlier form for the current and following financial year.
- has not received payments from you for 12 months, you must retain a copy of the last completed form for the current and following financial year.

#### Penalties

You may incur a penalty if you do not:

- lodge TFN declarations with us
- keep a copy of completed TFN declarations for your records
- provide the payee's TFN to their super fund where the payee quoted their TFN to you.

**INFORMATION SHEET** 

# **Proof of identity** (POI)

Identification documents can be provided either as original documents or as certified copies of original documents.

Among the reforms introduced by the Commonwealth Government in relation to anti-money laundering and counter-terrorism financing (AML/CTF) is the requirement for those claiming super entitlements to provide proof of identity.

This means that you or your representative (if applicable), are required to provide proof of identity when applying for the payment of a cash entitlement. For any exceptions to this requirement refer to the 'Exceptions' section opposite.

#### **Accepted documents**

Super SA must be able to verify your name, date of birth and residential address from:

- an original document or
- a certified copy or
- a certified extract from an original document.

The source documents may be either:

- a primary photographic identification document (your name and either your date of birth or residential address)

#### OR

 both a primary non-photographic identification document and a secondary identification document (your name, date of birth and residential address).

The documents must be valid and not have expired. The only exception to this is a passport issued by Australia, providing it expired less than two years ago.

A 'certified copy' is a copy of an original physical document that has been signed and certified by an authorised person (see list on page 3).

The authorised person must see the original physical document and certify that the copy is a 'certified true copy' of the original document.

All pages of the document need to be certified as a true copy of the original by writing or stamp 'certified true copy' on each page.

## **Exceptions**

If Super SA holds a copy of your proof of identity documents, which are currently valid and show your current details, then those documents on file can be used to verify a withdrawal application. If the identification records you have previously provided to us are expired or the address on the proof of identity documents we hold doesn't match the address we have on our records, we will require you to provide up-to-date, certified proof of identity documents.

#### Digital requests

If you are completing a digital request with Super SA that verifies your identity digitally, you will generally not be required to provide Super SA with additional proof of identity documents

#### Australian Taxation Office (ATO) payments

To make payments directly to the ATO from a Super SA account, proof of identity documents are *not* required.

- a notice issued to you by the Commonwealth, or a State or Territory government within the preceding 12 months, that shows you have received financial benefits from that government
- a notice issued to you by the Australian Taxation Office within the preceding 12 months which records details of a Commonwealth tax debt or rebate
- a notice issued by a local government body or utilities provider within the preceding 12 months which records the provision of services to you or your address.

If you do not have any of the documents listed above, please contact Super SA to discuss your options.

#### Providing the documents to Super SA

Identification documents can be provided either as original documents or as certified copies of original documents.

If you provide original documents please bring them to the Super SA Member Centre, Ground Floor 151 Pirie Street (enter from Pulteney Street), Adelaide. A Super SA staff member will sight the documents and take a photocopy for our records and return the originals to you immediately.
