This form will only be used to provide the Parliamentary Superannuation Board with your Tax File Number (TFN).

Providing your super scheme with your TFN will have the following benefits:

- Your super scheme will be able to accept all types of contributions to your account(s).
- Additional contributions tax will not apply.
- Other than the tax that may ordinarily apply, no additional tax will be deducted when you start drawing down your super entitlement.
- It will make it much easier to trace different accounts in your name so that you receive all your super when you retire.
- Your super scheme will be able to accept payment of your Government Co-contribution to your account.

Your TFN will only be used for lawful purposes. These purposes may change in the future as a result of legislative change. The Board may disclose your TFN to another super fund when your entitlements are being transferred, unless you request the Board in writing that your TFN may not be disclosed to any other trustee.
