

Significant event notice

This notice outlines changes which may affect your account with Super SA.

Changes to financial guidance services

At Super SA, we have reviewed our financial guidance services, and we are pleased to let you know that in the first half of 2026, we will be giving members more options on how they can seek financial advice in relation to their Super SA accounts.

As part of these changes, Super SA no longer has an arrangement with Industry Fund Services (IFS) for the provision of comprehensive advice, and fees in relation to such service can no longer be deducted from your Super SA account. Members will, however, continue to be able to seek financial advice services from a financial adviser of their choice.
