TRIPLE S

SUPER SA SELECT

! **Important** If you make after-tax contributions into Triple S, you are unable to claim a tax deduction because Triple S is an untaxed fund.

! Contributions to Triple S will not count towards the First Home Super Saver Scheme (FHSSS). All contributions to an untaxed fund are specifically excluded under the Commonwealth rules.

4. Vary my after-tax contribution rate

There is no limit on the maximum percentage of after-tax contributions that you can make. However, the percentage needs to be a whole percentage.

! **Important** Please note that your after-tax contributions are based on a percentage of your salary before tax.

I elect to have a total of % of my gross salary paid as after-tax contributions to my superannuation.

5. Member Declaration

I declare that the above statements are true and correct. I understand that the election will remain in force until I notify Super SA in writing of any further changes.
