If you are taking LWOP complete a *Leave Without Pay* form and return it to your pay office.

You must let Super SA know that you are taking Leave Without Pay.

### Introduction

There are a number of reasons that SA public sector employees take Leave Without Pay (LWOP). These may include:

- parenting leave
- extended study leave
- overseas holidays
- secondment to another employer
- overseas aid programs.

### What to do when you take LWOP

You should notify Super SA if you are taking LWOP for periods of more than one month by:

1. Completing the Super SA *Leave Without Pay* form; and
2. Forwarding it to your pay office.

Your pay office will forward a copy of this form to Super SA. You can download the *Leave Without Pay* form from the Super SA website.

If your leave dates change, please advise Super SA.

### Making member contributions while on LWOP

- During a period of LWOP you will generally not receive any employer contributions.
- You can make after-tax member contributions into your super while you are on LWOP.
- Please note that any regular contribution arrangements you may have in place with your pay office prior to LWOP will cease while you are on LWOP.
- Therefore, if you wish to make voluntary after-tax contributions into your super while you are on LWOP, you can do so via BPAY.

For more information, see the Triple S *Leave Without Pay* form or call Super SA.

### Income Protection (IP) Insurance and LWOP

- You are not covered for IP while you are on LWOP.
- IP premiums are not deducted during LWOP. If, however, you are taking LWOP as a result of an incapacity that occurred while you were working you may be able to make a claim for IP.

Refer to the *IP - Making a Claim Kit*.

- If you have IP Insurance prior to commencing LWOP, when you return to work, you will have immediate cover for IP Insurance. However, if you are on LWOP for 12 months or more, you will not be covered for any pre-existing medical condition that was known to you on the day you returned to work, for a period of two years from the date you returned to work.

You cannot claim for IP Insurance while on LWOP even if you continue to contribute.

### Death and Total & Permanent Disablement (TPD) Insurance and LWOP

- Your Triple S Death and TPD Insurance cover will continue during your LWOP unless you cancel your Death and TPD cover. The cost of your insurance will continue to be deducted from your Employer Account in your Triple S Account.
- If you reduce your Death and TPD Insurance cover during LWOP (or any other time) and later decide to apply to increase your cover, any application for cover will be subject to underwriting (limitations may apply).
- If you suspended your Death and TPD Insurance cover prior to 3 September 2018, you can reinstate your cover at anytime. When you reinstate your insurance cover, you will only be covered for accidental injury within the first 12 months of reinstating the cover.
